IN THE UNITED STATES DISTRICT COURT FOR THE DISTRICT OF NEBRASKA

UNITED STATES OF AMERICA,) CASE NO. 8:02CR194
Plaintiff,)
Fiamum,) MEMORANDUM
vs.) AND ORDER
ARTURO CARDENAS-GUTIERREZ,)
Defendant.	,

This matter is before the Court on the Defendant's Notice of Appeal and motion for a certificate of appealability (Filing No. 173), and the Clerk's memorandum addressing the Defendant's ability to proceed on appeal in forma pauperis (Filing No. 174). The Defendant appeals from the order (Filing No. 172) denying his successive motion to vacate the Judgment ("§ 2255 motion"). Federal Rule of Appellate Procedure 24 governs the Defendant's ability to proceed in forma pauperis in this appeal.

However, before the Defendant may appeal the denial of his § 2255 motion, a "Certificate of Appealability" must issue. Pursuant to the Antiterrorism and Effective Death Penalty Act of 1996, Pub. L. No. 104-132, 110 Stat. 1214 ("AEDPA"), the right to appeal the denial of a § 2255 motion is governed by the certificate of appealability requirements of 28 U.S.C. § 2253(c). 28 U.S.C. § 2253(c)(2) provides that a certificate of appealability may issue only if the applicant has made a substantial showing of the denial of a constitutional right:

- (c)(1) Unless a circuit justice or judge issues a certificate of appealability, an appeal may not be taken to the court of appeals from—
 - (B) the final order in a proceeding under section 2255.
- (2) A certificate of appealability may issue under paragraph (1) only if the applicant has made a substantial showing of the denial of a constitutional right.

(3) The certificate of appealability under paragraph (1) shall indicate which specific issue or issues satisfy the showing required by paragraph (2).28 U.S.C. § 2253(c).

A "substantial showing of the denial of a constitutional right" requires a demonstration "that reasonable jurists could debate whether (or, for that matter, agree that) the petition should have been resolved in a different manner or that the issues presented were "adequate to deserve encouragement to proceed further."" *Slack v. McDaniel*, 529 U.S. 473, 484 (2000) (quoting *Barefoot v. Estelle*, 463 U.S. 880, 893 & n.4 (1983)).

The issues raised in the successive § 2255 motion were carefully considered. For the reasons set forth in the Court's previously issued order (Filing No. 172) denying the defendant's § 2255 motion, the Court concludes that the Defendant has not made a substantial showing of the denial of a constitutional right as required by 28 U.S.C. § 2253(c).

IT IS ORDERED:

- The Defendant's motion for a certificate of appealability (Filing No. 173) is denied:
- The Court denies the Defendant leave to proceed in forma pauperis on appeal;
- The Clerk of Court is directed to send a copy of this Memorandum and Order to the Eighth Circuit Court of Appeals; and
- The Clerk is directed to mail a copy of this Memorandum and Order to the Defendant at his last known address.

DATED this 16th day of August, 2010.

BY THE COURT

S/Laurie Smith Camp United States District Judge
